## 2 | Lump sum (direct) contribution

A cheque for \$  is attached.

If you have selected LifeCycle, this lump sum contribution will be invested according to your current allocation across the Strategies making up the NZ Funds KiwiSaver Scheme and will be automatically rebalanced annually according to your age and investment horizon.  
 If you have already chosen your own Strategy allocations ('SelfSelect') your lump sum contribution will be proportioned in line with your current chosen allocation.  
 If you wish to alter your current allocation or switch between the LifeCycle and SelfSelect options, you may do so by completing a NZ Funds KiwiSaver Scheme Switch Investment Form.  
 Details of the Strategies are set out in the NZ Funds KiwiSaver Scheme Product Disclosure Statement.  
 Please make any cheques payable to **NZ Guardian Trust - NZ Funds KiwiSaver Scheme** marked 'Account Payee Only'.
